**Marshall Home For Men Celebrates Veterans Day and
Thanks Sunnyside, Walden Grove and Sahuarita School Student Volunteers**

On Thursday, November 7, 2013, at 2 p.m., the Sunnyside High School ROTC, as well as students from Walden Grove and Sahuarita High Schools will celebrate Veterans Day with a Flag raising ceremony at the Marshall Home For Men, 3314 S. 16th Avenue.

The Walden Grove High School robotics team has been instrumental in raising funds to purchase a new flag, purchase turkeys for Thanksgiving and spending quality time with our men.

We at the Marshall Home would like to thank these students for their kindness in remembering our veterans on this special holiday. The Marshall Home is a home for men that supports homeless men and veterans with a place to live, provides three meals a day, and other activities.
